**SUB:- PERMISSION FOR OPENING DEGREE COLLEGE AT BARA, GHAZIPUR, U.P.**

Respected Sir,

We have to submit that we are a registered Muslim welfare association at Bara, Ghazipur, U.P.

The area is extremely backward and situated in U.P. about 1.5 km. from Bihar. Our association was Registered in 1952 and the Inter College catering the educational needs of the neighbor hood was established in 1972.

The strength of our college students is around 1950, and the students who are appearing in Board exam of 12<sup>th</sup> class are 300 apprx. Every year.

The students particularly girls have to travel 11 to 12 km one way to existing Degree College which is very difficult in rural area and due to long distance of 11-12km they have to stop their further education

Therefore we request your honor that an application form for the opening of Degree College should be forwarded to us.

We submit the following in support of our request.

- Copy of our Association Registration.
- The copy of details of students of Intermediate.
- Registry of Land in the name of Bara Degree College, Bara, Ghazipur, U.P.

Please do the needful & oblige.

Thanking you and assuring you of our best co-operation at all times.

Sincerely Your's
